L'idea LORYLINE nasce nel 1995 dall'unione di esperienze maturate in anni nel settore.

Il concetto produttivo LORYLINE è stato impostato e portato avanti da varie aziende negli anni.

Oggi una nuova realtà intraprende questo percorso, presentando al mercato saloni di alta qualità rimarcando fedelmente il concetto produttivo di pregio e di artigianalità che contraddistingue da 18 anni i prodotti a marchio LORYLINE.

The idea LORYLINE founded in 1995 with the combination of experiences that people have gained through years of work in the field.

The concept of producing products LORYLINE was designed and sold by various companies over the years.

Today a new reality takes this route, introducing to the market, equipment for hairdressing salons. Noting accurately the concept of production value and craftsmanship that marks over 18 years brand products LORYLINE.
